"The Spirit rushes in" -- into even the smallest and seemingly least significant corners of our lives with gifts that can transform us. Sister Melannie Svoboda helps us discover some of these gifts, fifty-one to be exact, gifts like beauty, leadership, patience, common sense, childlikeness, relaxation, and commitment.

Each chapter or "Treasure" begins with a quotation from a wide variety of sources. Next comes a meditation on a particular gift, which is rooted in both Scripture and daily life. The meditation ends with reflection questions and a brief, relevant prayer that helps readers focus on and appreciate the abundant riches already present in their lives.
