If you enjoy....

<ul style="list-style-type: none"> • Helping the parish become more effective as a Faith Community • Considering options for the future and setting direction • Being part of creating a future that builds off of the past, and looks forward to the future • Working as a collaborative member of a Leadership/ Guiding team • Making a difference for the spiritual growth of current and future members of the parish <p><i>THEN THE <u>STEERING TEAM</u> MIGHT BE SOMETHING YOU'D LIKE TO BE PART OF</i></p>	<ul style="list-style-type: none"> • Discovering or creating novel approaches to the most significant needs of the parish • Working collaboratively with others to take the best thinking and customize it to our parish <ul style="list-style-type: none"> ◦ Designing and implementing solutions to the Key Focus Areas • Thinking creatively • Able to draw out the best thinking of others • Enjoy the challenge of attacking key issues that do not have easy answers • Making a difference for the spiritual growth of current and future members of the parish <p><i>THEN THE <u>SOLUTION DESIGN TEAM</u> MIGHT BE SOMETHING YOU'D LIKE TO BE PART OF</i></p>

Notes:

* The Working Teams (Solution Design, Implementation or Ministry Teams) will be selected from a pool of people willing to work on these teams. Since we do not know the focus of these teams, as yet, you be invited to join a team once the Team Charters have been defined. At that point, you will be able to choose the team that best suits your interest and passion.

** The Anywhere Needed is any who just wants to help. This gives the Steering Team great flexibility.

THANK YOU!
